Dear Office of Special Nutritional,

In accordance with regulation 21 CFR Part 101.93 of Food Labeling; Notification
Procedures for Statements on Dietary Supplements, I am submitting a label for EnzAid™.

EnzAid is a dietary supplement that is marketed, sold and distributed by Enzymes, Inc.,
100 NW Business Park Lane, Riverside, MO 64150.

The following structure/function statement appears on the left panel of the label:

EnzAid™, a proprietary blend including proteolytic enzymes and bioflavonoid, is
specially formulated to help support your body in its efforts to maintain healthy soft
tissue.

I, hereby, certify that the information contained in this notice is complete and accurate, and
that Enzymes, Inc. has substantiation that the statement is truthful and not misleading.

Sincerely,

Paula L. Cousins
Senior Manager,
Marketing Communications

EnzAid™, a proprietary blend including proteolytic enzymes and bioflavonoids, is specially formulated to maintain healthy soft tissue.*

Directions: Five capsules on an empty stomach, four times daily.

Warnings: As with any dietary supplement, if you are pregnant or nursing, seek the advice of a health care professional before using this product. This product should not be used by anyone with gastritis or ulcers.

EnzAid™ is formulated with *n-zymes*™, a registered trademark of National Enzyme Company which identifies its proprietary method of formulating nutritional enzyme blends.

EnzAid™ is formulated for and distributed by Enzymes, Inc., Kansas City, Missouri 64141, U.S.A. 800-844-1965 or 816-746-6461.

*This statement has not been evaluated by the U.S. Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
